Add an Individual

- ▶ Activation Code is required to add this type of payee
- ▶ 2 Options: Electronic & Check methods

The screenshot shows a form titled 'Add an Individual' with two main sections: 'electronically' and 'by check'. The 'electronically' section has two radio button options: 'Allow them to provide their banking information' (selected) and 'I have the bank account information'. The 'by check' section has one radio button option: 'Mail a check'. To the right, a grey box with the 'pay a person' logo explains the process: 'All you need is their email address.' It states that the user will select a one-time keyword and share it with the payee, who will then provide their bank account information via a secure email link. It also notes that this is a one-time setup process and that future transactions will be notified via email.

Add an Individual Electronically

- ▶ Pay a Person (Email Payee) – You can set up the individual to receive ACH transactions; however the payee will be the one to provide their account information via a secure email link.
- ▶ ACH Payee – You can set up the individual to receive ACH transactions by inputting their account information.

Pay a Person

Step One: Input the Payee's information

- **Keyword:** This is a security word that you create and must be communicated to the Payee.
- The Payee will be prompted to verify the Keyword as a measure of security to authenticate this process. Once it's correct, they will be able to input their bank account information.

The screenshot shows the 'Pay a Person' form with the following fields and values:

Tell us about your payee	
First Name *	Betty
Last Name *	Rubble
Phone Number *	270 - 454 - 4531
Nickname *	Grandma
Category	No Category
Default Payment Account *	Primary Checking
Payee's Email Information Tell me more	
Email Address *	bettyrocks@demo.com
Confirm *	bettyrocks@demo.com
Create a Security Keyword Tell me more	
Keyword *	barefoot

Step Two: Activate the Payee

- Higher risk payees required an additional authentication:
 1. Individual
 2. Bank or Credit Union
 3. Transfers (optional)
- It's activated by a **ONE-TIME** system generated code.
- It can be activated now or later; however if they choose to activate it later, then they will not be able to schedule payments.

Activation Process

1. Select a preferred delivery method to receive the activation code & select **Request Activation Code**.
2. Enter Activation Code and click **Submit**.
3. Payee will be sent an email prompting them to enter the Keyword and Account Information

NOTE: The Payee will have 9 days to complete this process to become a permanent payee in your list. If they fail to complete this, it will automatically delete them from the payee's list, notify you via email.

What happens next

Now it's Grandma's turn to complete the setup process.

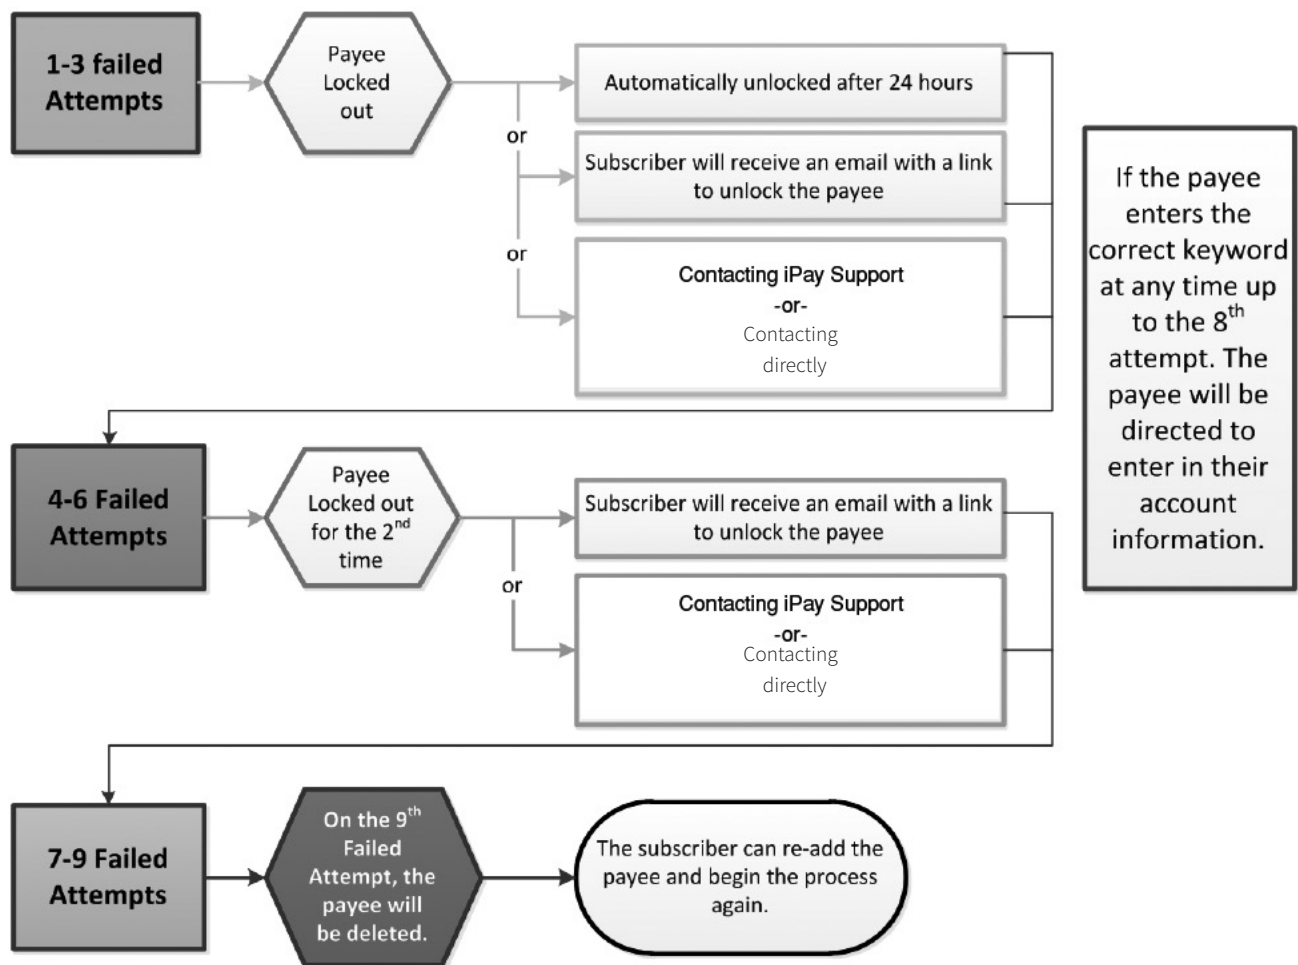

Here is what will happen:

- An email will be sent to `bettyrocks@demo.com`
- This email will provide access to a secure site (look for `https` :)
- Grandma will be asked to enter the security keyword you've provided along with account info.
- Any payments you have scheduled to Grandma will process upon response.
- You will receive an email when Grandma responds.

Payee locked out:

- ▶ After the initial lockout (three failed attempts), the system will automatically unlock the payee after 24 hours.
- ▶ The email payee can be locked out for entering the keyword incorrectly three times. After the third lockout (nine total failed attempts) the payee will be deleted.
- ▶ You will have the ability to unlock them:
 - Via the link in the email notification advising that the payee has been locked out.
 - By contacting iPay Support.
 - By contacting directly.

PROCESSING PAYMENTS

It's important to understand the payment processing method we offer: **Due Date-Deliver by Date.**

Points to consider:

- ▶ We have a processing cutoff time of 2:00 p.m. Mountain Time.
- ▶ For electronic payments, simply choose a due date and the system will calculate the process date ahead of time so that it arrives on time. Generally this will be 1 day prior to the due date.
- ▶ For payments made electronically, funds will be removed from your account the day we remit funds to the payee (process date).

Invoice/Comment

- ▶ Within the business product, each payee will provide the option to add an invoice and/or comment.
- ▶ Comments are personal only to you and will not be included with the payment.
- ▶ Invoice information will be printed on check stubs. If you try to add an invoice to an electronic payment, then it will prompt you to drop the payment to a one-time check.

Standard Delivery Electronic Payments

- ▶ Due Date Method - For electronic payments using the Deliver by Date method, the process date is determined by payee and will be 1 or at the most 2 days prior to the due date.
- ▶ It will take 1-2 business days for the payee to receive the payment.

Standard Delivery Check Payments

- ▶ Draft Checks – iPay will print your checking and routing number on the check, therefore the funds will be deducted from your account when the payee cashes it.
- ▶ Due Date Method - For check payments using the Deliver by Date method, the process date is chosen based on past history and location of the payee.

Rush Delivery

Payees determine the types of Rush payments they accept.

3 Types of Rush Payments:

- ▶ \$14.95 (draft check)
Next Business Day
- ▶ \$9.95 (draft check)
Second Business Day
- ▶ \$4.95 (electronic)
Second Business Day

NOTE: Estimated Arrival Date is the estimated date the biller will receive the payment.

The screenshot shows a web interface with two tabs: 'Standard Delivery' and 'RUSH Delivery'. The 'RUSH Delivery' tab is active. Below the tabs, there is a heading 'Need to get it there faster? **Rush It!**'. A table lists three options:

<input type="radio"/> Wednesday 10/19/2011 (Check)	\$14.95
<input type="radio"/> Thursday 10/20/2011 (Check)	\$9.95
<input checked="" type="radio"/> Thursday 10/20/2011 (Electronic)	\$4.95

Below the table, there is a grey box with the text 'Rush payments are Guaranteed!'. At the bottom, there is a section titled 'Our Guarantee' with the text 'Guaranteed on-time delivery for all Rush Payments. If not, you will be refunded up to \$50 in late fees: [Read More...](#)'. At the bottom right, there are two buttons: 'Cancel' and 'Next >>'.

Rush Payment-Processing Fees & Funds

You must accept the Fee Debit Authorization prior to submitting the Rush Payments.

- ▶ Check Rush Payments: (Draft Checks) The fee will be debited on the process date and the funds will be released once the payee cashes the check.
- ▶ Electronic Rush Payments: The fee and funds for the payment will appear as two separate debits on your account. Fees will be debited on the process date and the payment will be debited on the due date.
